

Clax® 100 OB 2AL1

Concentrated Laundry Detergent

Clax 100 OB 2AL1 contains a blend of surfactants and fluorescent whitening agents and is specially formulated for use with liquid alkalis to enhance the removal of oil and grease from white or coloured polyester-cotton garments, table linen, greasy shop towels and wipes, and oil and grease stained linen supply work.

Key Properties

Clax 100 OB 2AL1 contains a blend of surfactants and fluorescent whitening agents. Used in conjunction with liquid alkali such as Clax Alegro 1AL1 it enhances the removal of oil and grease from medium and heavily soiled items.

In additional Clax 100 OB 2AL1 contains an optical brightener for application at all temperatures, which is stable in the presence of chlorine bleach.

Benefits

- ▶ Excellent performance on greasy and oily items
- ▶ Good foam control properties thus optimal use of washer mechanical action
- ▶ Ensures long-lasting whiteness

Designed For

- ▶ Healthcare
 - ▶ Lodging
 - ▶ Government
-
