Technical Data Report

VINYL RESTORER

DASHBOARD AND VINYL RESTORER

DESCRIPTION

VINYL RESTORER protects and beautifies tyres, bumpers, dashboards, vinyl and trims. **VINYL RESTORER** gives a semi gloss finish and may be diluted with water for a satin finish. **VINYL RESTORER** is a luxurious blend of emulsion silicones – it contains polymer type silicone. This rubberises the protective coat, thus giving the product a much longer life. **VINYL RESTORER** also contains a fresh fragrance to help keep the car smelling fresh.

APPLICATIONS

Car Yards, Railways, Councils, Road Trains, Bus Companies, Truck Companies and Car Detailers.
