## Product Testing

### Skin Compatibility Tests

The skin compatibility of Refresh™ Hair & Body was carefully tested under laboratory conditions and medical guidance. In these tests, as well as in practical use, Refresh™ Hair & Body has proven to have very good skin compatibility properties. Medically certified skin compatibility expert reports prepared by Prof. Dr. med. S. W. Wassilew, MD for Dermatology, Allergology, Environmental Medicine, are available upon request.

### First Aid

In the event of accidental eye contact with Refresh™ Hair & Body, rinse repeatedly using lukewarm water (eye douche, eye irrigation bottle). Consult a doctor if any burning sensation persists.

### Additional Information

Expert reports and certificates are available upon request.
