

VORTEX Liquid Laundry Detergent

DESCRIPTION

Bio-degradable Liquid Laundry Detergent

VORTEX is a modern approach to the age old problem of washing clothes effectively.

APPLICATIONS

Vortex top loader dissolves much more quickly than powder. **Vortex** is very effective at removing tough stains. The high solids concentrate keeps whites, bright and clean with a refreshing fragrance. Making this an ideal product for all laundry needs. Being a liquid, **Vortex** can automatically be dispensed into the wash, thus eliminating operator over use. **Vortex** combines all the necessary ingredients to give a perfect wash every time.
