

SMART GREEN EXTREME

DESCRIPTION

This is a very safe Precision water based multi-purpose degreaser cleaner.

DESCRIPTION

SGE is a very safe alternative to harsh caustic, bleaching agents and solvents.

The ability to absorb high levels of grease and soil helps with the clean rinsing effect

This product is sought after for. Specialty additives prevent redeposition of soils and grease from leaving residues.

APPLICATIONS

A safe Precision cleaner for all surfaces on aircraft, boats, trucks as well as any other

Type of vehicle. The non corrosive, non flammable formula allows SGE to be used almost anywhere.

Specifically developed so as not to damage plastics, Perspex, high-tech alloys and structural aluminium frames.

SGE may be used with all types of cleaning equipment, including parts washers, mop and bucket, steam cleaners and pressure washers.

Very effective on kitchen grease and soot in cooking and catering situations.
